Thanks Abby.

We're lining up site officers and will nail down when the advance team will be in Bologna during our call today. [Ex. 6 - Personal Privacy] has indications from MoE that all of the events may be held at FICO Eataty World <http://www.caab.it/it/arriva-f-i-co/>. This would be good in that there would only be one site visit, but bad, because it looks like a pretty unwieldy place. I'm not positive all of FICO is open yet. Would Scott be able to be the site officer and also meet the advance team?

Team EPA / Florence,

Due to POTUS visit here in Rome, could we move next week's call from May 24 to May 25 at the same time 3pm Rome (9am DC)? This would help to have more participants attend as well. We would also like to change the format to a DVC rather than a phone call. Would this be possible?
